**CHRISTOPHER A. BOYKO, J:**

This matter is before the Court on Plaintiffs' Motion to Clarify that Protective Order Permits Trial Counsel to Participate in Reexamination Proceeding (ECF # 213). The Protective Order at issue was the parties' own Stipulated Protective Order. Thus, the parties are asking the Court for an advisory opinion on what their stipulated language actually means. The Court declines the offer to do so. The language means what it means. Therefore, Plaintiffs' Motion is denied.

IT IS SO ORDERED.
